Uganda or Kuwait, Algeria or Iran
Can feel the pain, yet its Afghanistan,

To Jordan, to Russia, or to Islamabad

The Five Muslim Prayers

Chorus: O Ya Allah to you I pray
To you I pray alone
To you I pray five times a day
Starting at Fajr at dawn

Chorus

And when my second prayer comes
At Zuhr at midday noon
I stop my work and wash myself
For my prayer so soon

Chorus

And when my third prayer comes
At Asr mid-afternoon or so
I stop playing and go to pray
And line up in a row

Chorus

And when my fourth prayer comes
At Maghrib or after sunset
I run to pray and will not miss
My prayer and never forgot

Chorus

And when my fifth prayer comes
Isha prayer at night
I pray to God who filled my heart
With Faith and Love and Light.

Stand By Me (Islamic version)

When the night has come
And the land is dark

And Islam

Is the only light we see

I won't cry, I won't cry

No, I won't shed a tear

Just as long

As I know

Allah's near

Chorus:

So sisters, brothers, stand by me

O, pray with me

And believe that Islam

Sets us free

When the sky that we look upon

Shall tumble and fall

And the earth shall crumble

'Neath the sea

In that time, we shall fear

Only Allah

And our deeds of the past

Will become clear

Chorus

War!

(War! huh What is it good for?) by RUSH HOUR

War! huh-yeah
What is it good for?
Absolutely nothing
Uh-huh

War! huh-yeah
What is it good for?
Absolutely nothing
Say it again y'all

War! huh good God
What is it good for?
Absolutely nothing
Listen to me?

Ohhh? War! I despise
Because it means destruction?
Of innocent lives

War means tears
to thousands of mothers eyes
When their sons go to fight
and lose their lives

I said - War! Huh Good God y'all
What is it good for?
Absolutely nothing
Say it again

War! Whoa, Lord ...
What is it good for
Absolutely nothing
Listen to me?

War! It ain't nothing but a heartbreaker
War! Friend only to the undertaker
War! It's an enemy to all mankind
The thought of war blows my mind

War has caused unrest in the younger generation
Induction then destruction-
Who wants to die?

Ohhh? War Good God y'all
What is it good for?
Absolutely nothing
Say it, Say it, Say it

War! Uh-huh Yeah - Huh!
What is it good for?
Absolutely nothing
Listen to me?

War! It ain't nothing but a heartbreaker
War! It's got one friend, that's the undertaker
War has shattered many a young mans dreams
Made him disabled bitter and mean
Life is much to precious to spend fighting wars these days
War can't give life, it can only take it away

War! Huh Good God y'all
What is it good for?
Absolutely nothing
Say it again

War! Whoa, Lord ...
What is it good for
Absolutely nothing
Listen to me?

War! It ain't nothing but a heartbreaker
War! Friend only to the undertaker
Peace Love and Understanding;
tell me, is there no place for them today?
They say we must fight to keep our freedom
But Lord knows there's got to be a better way

War! Huh Good God y'all
What is it good for?
You tell me
Say it, Say it, Say it

War! Huh Good God y'all
What is it good for?
Stand up and shout it.
Nothing!

I Can See Clearly Now The Rain Is Gone

[Otis Redding](#)

I can see clearly now the rain is gone

I can see clearly now the rain is gone

I can see all obstacles in my way

Gone are the dark clouds that made me blind

It's gonna be a bright (bright) bright (bright) sunny day

It's gonna be a bright (bright) bright (bright) sunny day

I think I can make it now the pain is gone

All of the bad feelings have disappeared

Here is the rainbow I've been prayin' for

It's gonna be a bright (bright) bright (bright) sunny day

Look all around there's nothing but blue sky

Look straight I am, nothing but blue skyyyyyyyyyyy

I can see clearly now the rain is gone

I can see all obstacles in my way

Gone are the dark clouds that made me blind

It's gonna be a bright (bright) bright (bright) sunny day

It's gonna be a bright (bright) bright (bright) sunny day

Gonna be a bright (bright) bright (bright) sunny day

Ooooh what a bright (bright) bright (bright) sunny day

Black and White - by Three Dog Night

The ink is black
The page is white
Together we learn to read and write
The child is black
The child is white
The whole world looks upon the sight
The beautiful sight

And now a child can understand
That this is the law of all the land
All the land

The world is black
The world is white
It turns by day and then by night
The child is black
The child is white
Together they grow to see the light
To see the light

And now at last we plainly see
We'll have a dance of liberty
The world is black
The world is white
It turns by day and then by night
The child is black
The child is white
The whole world looks upon the sight
The beautiful sight

The world is black
The world is white
It turns by day and the by night
The child id black
The child is white
Together they grow to see the light
To see the light

Cabin in the Woods

In a cabin in the wood,
Little old man by the window stood;
Saw a rabbit hopping by, Frightened as can be.
"Help me, Help me", the rabbit said,
"Or the hunter'll shoot me dead!"
"Come little rabbit, come with me, Safely we will be."

Do Your Ears Hang Low

Do Your Ears Hang Low?
Do They Wobble to and Fro?
Can You Tie Them in a Knot?
Can You Tie Them in a Bow?
Can You Throw Them Over Your Shoulder Like a Continental Soldier?
Do Your Ears Hang Low?
Do Your Ears Hang High?
Do They Reach Up to the Sky?
Do They Droop When They're Wet?
Do They Stiffen When They're Dry?
Can You Semaphore Your Neighbor with a Mimimum of Labor?
Do Your Ears Hang High?
Do Your Ears Hang Wide?
Do They Flap From Side to Side?
Do They Wave in the Breeze?
From the Slightest Little Sneeze?
Can You Soar Above the Nation with a Feeling of Elation?
Do Your Ears Hang Wide?
Do Your Ears Fall Off?
When You Give a Great Big Cough?
Do They Lie There on the Ground?
Or Bounce Up at Every Sound?
Can You Stick Them in Your Pocket Just Like Little Davy Crockett?
Do Your Ears Fall Off?

This Land is Your Land

words and music by Woody Guthrie

Chorus:

This land is your land, this land is my land
From California, to the New York Island
From the redwood forest, to the gulf stream waters
This land was made for you and me
As I was walking a ribbon of highway
I saw above me an endless skyway
I saw below me a golden valley
This land was made for you and me

Chorus

I've roamed and rambled and I've followed my footsteps
To the sparkling sands of her diamond deserts
And all around me a voice was sounding
This land was made for you and me

Chorus

The sun comes shining as I was strolling
The wheat fields waving and the dust clouds rolling
The fog was lifting a voice come chanting
This land was made for you and me

Chorus

As I was walkin' - I saw a sign there
And that sign said - no tress passin'
But on the other side it didn't say nothin!
Now that side was made for you and me!

Chorus

In the squares of the city - In the shadow of the steeple
Near the relief office - I see my people
And some are grumblin' and some are wonderin'
If this land's still made for you and me.

Chorus (2x)

On Top of Spaghetti

On top of spaghetti,
All covered with cheese,
I lost my poor meatball,
When somebody sneezed.
It rolled off the table,
And on to the floor,
And then my poor meatball,
Rolled out of the door.
It rolled in the garden,
And under a bush,
And then my poor meatball,
Was nothing but mush.
The mush was as tasty
As tasty could be,
And then the next summer,
It grew into a tree.
The tree was all covered,
All covered with moss,
And on it grew meatballs,
And tomato sauce.
So if you eat spaghetti,
All covered with cheese,
Hold on to your meatball,
Whenever you sneeze.

One Tin Soldier (The Legend of Billy Jack)

by Lambert-Potter, sung by Coven

Listen, children, to a story
That was written long ago,
'Bout a kingdom on a mountain
And the valley-folk below.

On the mountain was a treasure
Buried deep beneath the stone,
And the valley-people swore
They'd have it for their very own.

Go ahead and hate your neighbor,
Go ahead and cheat a friend.
Do it in the name of Heaven,
You can justify it in the end.
There won't be any trumpets blowing
Come the judgement day,
On the bloody morning after....
One tin soldier rides away.

So the people of the valley
Sent a message up the hill,
Asking for the buried treasure,
Tons of gold for which they'd kill.

Came an answer from the kingdom,
"With our brothers we will share
All the secrets of our mountain,
All the riches buried there."

Go ahead and hate your neighbor,
Go ahead and cheat a friend.
Do it in the name of Heaven,
You can justify it in the end.
There won't be any trumpets blowing
Come the judgement day,
On the bloody morning after....
One tin soldier rides away.

Now the valley cried with anger,

"Mount your horses! Draw your sword!"
And they killed the mountain-people,
So they won their just reward.

Now they stood beside the treasure,
On the mountain, dark and red.
Turned the stone and looked beneath it...
"Peace on Earth" was all it said.

Go ahead and hate your neighbor,
Go ahead and cheat a friend.
Do it in the name of Heaven,
You can justify it in the end.
There won't be any trumpets blowing
Come the judgement day,
On the bloody morning after....
One tin soldier rides away.

Go ahead and hate your neighbor,
Go ahead and cheat a friend.
Do it in the name of Heaven,
You can justify it in the end.
There won't be any trumpets blowing
Come the judgement day,
On the bloody morning after....
One tin soldier rides away.

Oh, What a Beautiful Mornin'

Music by Richard Rodgers, lyric by Oscar Hammerstein II

There's a bright golden haze on the meadow,
There's a bright golden haze on the meadow,
The corn is as high as an elephant's eye,
An' it looks like its climbin' clear up to the sky.

Chorus:

Oh what a beautiful morning,
Oh what a beautiful day,
I've got a wonderful feeling,
Everything's going my way.

Repeat chorus

All the cattle are standing like statues,
All the cattel are standing like statues,
They don't turn their heads as they see me ride by.
But a little brown mav'rick is winking her eye.

Repeat chorus

All the sounds of the earth are like music,
All the sounds of the earth are like music,
The breeze is so busy it don't miss a tree,
And an ol' Weepin' Willer is laughin' at me.

Repeat chorus

My Name is Joe

Hey, My name is Joe
And I work in a button factory,
I've got a wife a dog and a family,
One day my boss came up to me and said
Hey Joe, Are you busy? I said no,
He said turn the button with your _____.

My Bonnie

Midi by Barry Taylor

My Bonnie lies over the ocean, my Bonnie lies over the sea,
My Bonnie lies over the ocean, O bring back my Bonnie to me.

Chorus:

Bring back, bring back, O bring back my Bonnie to me, to me:
Bring back, bring back, O bring back my Bonnie to me.

O blow ye winds over the ocean,
O blow ye winds over the sea.
O blow ye winds over the ocean,
And bring back my Bonnie to me.

Repeat chorus

Last night as I lay on my pillow,
Last night as I lay on my bed,
Last night as I lay on my pillow,
I dreamed that my Bonnie was dead.

Repeat chorus

The winds have blown over the ocean,
The winds have blown over the sea,
The winds have blown over the ocean,
And brought back my Bonnie to me.

Repeat chorus

My Bonnie leaned over the gas tank,
The height of its contents to see,
I lit a small match to assist her,
O Bring back my Bonnie to me.

Repeat chorus

Last night as I lay on my pillow,
Last night as I lay on my bed,
I stuck my feet out of the window,
In the morning the neighbors were dead.

Repeat chorus

My mother makes beer in the bathtub,
My father makes synthetic gin,
My sister makes fudge for a quarter,
Wouldja believe how the money rolls in?

Repeat chorus

My mother, she drowned in the bathtub,
My father, he died from his gin,
My sister choked on her chocolate,
My stars, what a fix I am in.

Repeat chorus

I tried making beer in the bathtub,
I tried making synthetic gin,
I tried making fudge for a living,
Now look at the shape that I'm in.

Bear Song

The other day (echo)
I met a bear (echo)
Out in the woods (echo)
A-way out there(echo)

Altogether:
The other day I met a bear
out in the woods a-way out there.

(Continue in a similar manner)

He said to me
“Why don’t you run?
I see you ain’t
Got any gun”

And so I ran
Away from there
But right behind
Me was that bear

Ahead of me
I saw a tree
A great big tree
Oh glory be

The nearest branch
Was 10 feet up
I’d have to jump
And trust my luck

And so I jumped
Into the air
But I missed that branch
Away up there

Now don’t you fret
Now don’t you frown
Cause I caught that branch
On the way back down

The moral of
This story is
Don't talk to bears
In tennis shoes

That's all there is
There ain't no more
So what the heck
You singing for

Little Rabbit Foo Foo

Little rabbit foo-foo, (hold up two fingers)
hopping through the forest (bounce your hand up and down)
Scooping up the field mice, (make a scooping motion with hand)
and bopping them on the head. (slap top of fist with palm)

(Spoken)

Then down came the Good Fairy, and she said:

- Little Rabbit Foo-Foo, (wag forefinger - "no-no")
- I don't wanna see you (wag forefinger - "no-no")
- Scooping up the field mice, (scooping motion with hand)

(spoken)

I'll give you 3 chances,
and if you don't behave,
I'll turn you into a hairy Goon!

hopping through the forest
Scooping up the field mice,
and bopping them on the head.

(Spoken)

Little rabbit foo-foo,
hopping through the forest
Scooping up the field mice,

I'll give you 1 more chance,
and if you don't behave,
I'll turn you into a hairy Goon!

Hare today, goon tomorrow!

Baby Bumble Bee

I'm bring home my baby bumble bee
Won't my mommy be so proud of me
I'm bring home my baby bumble bee
Ouch! It stung me!

I'm smashing up my baby bumble bee
Won't my mommy be so proud of me
I'm smashing up my baby bumble bee
Ugh! What a mess!

I'm licking up my baby bumble bee
Won't my mommy be so proud of me
I'm licking up my baby bumble bee
Eww! I feel sick!

I'm puking up my baby bumble bee
Won't my mommy be so proud of me
I'm puking up my baby bumble bee
Yuck! What a mess!

I'm sweeping up my baby bumble bee
Won't my mommy be so proud of me
I'm sweeping up my baby bumble bee
Well, I won't do that again!

Swimming, swimming

Swiming, Swimming, in the swimmng pool
When days are hot, when days are cold
In the swimming pool. Breast stroke, side stroke
Fancy diving too...
Oh, wouldn't it be nice to have
Something else to do?

The Rain Song

If all the raindrops were lemon drops and gum drops

Oh what a rain it would be-eee

I'd stand outside with my mouth open wide

Goin' ah, ah-ah-ah, ah-ah-ah, ah-ah-ah

If all the snowflakes were Hershey bars and milkshakes

Oh what a snow it would be-eee

I'd stand outside with my mouth open wide

Goin' ah, ah-ah-ah, ah-ah-ah, ah-ah-ah

If all the sleet were vegetables and meat

Oh what a sleet it would be-eee

I'd stand inside with my mouth shut tight

Goin' no, no-no-no, no-no-no, no-no-no

Camp Granada

Hello muddah, hello faddah
Here I am at Camp Granada
Camp is very entertaining
And they say we'll have some fun if it stops raining.

I went hiking with Joe Spivy.
He developed poison ivy.
You remember Leonard Skinner
He got ptomaine poisoning last night after dinner.

All the counselors hate the waiters
And the lake has alligators
And the head coach wants no sissies
So he reads to us from something called Ulysses.

Now I don't want this should scare ya
But my bunkmate has malaria.
You remember Jeffrey Hardy
They're about to organize a searching party.

Take me home, oh muddah, fadduh
Take me home, I hate Granada!
Don't leave me out in the forest

Where I might get eaten by a bear.

Take me home, I promise I will not make noise,
Or mess the house with other boys.
Oh, please don't make me stay,
I've been here one whole day.

Dearest fadduh, darling muddah,
How's my precious little bruddah?
Let me come home, if you miss me
I would even let Aunt Bertha hug and kiss me.

Wait a minute, it's stopped hailing.
Guys are swimming, guys are sailing
Playing baseball, gee that's bettah
Muddah, faddah kindly disregard this letter!

Follow On version

Hello Muddah, Hello Fadduh.
I am back at Camp Granada.
And I'm writing you this letter
Just to say my compound fracture's getting better.

No one here knows where my trunk is
And my bunk is where the skunk is.
And this year the food's improving
'Cause the little black things in it are not moving.

Our camp nurse is quite a swimmer.
She says swimming makes you slimmer.
Her name's Mrs. Balagreeni.
Have you ever seen a whale in a bikini?

All our bathrooms have such thin doors.
Gee, I wish they'd move them indoors.
We're all tired of Mother Goose here.
So next Friday night they're having Lenny Bruce here.

Let me stay, oh Muddah, Fadduh.
Let me stay, I love Granada.
Every night the camp fire's really keen.
Oh mom, please send some Ovaltine.

Let me stay, out here in Mother Nature's land
And tip-toe through the tulips grand.
To leave would be a shame.
Besides, I'd miss the poker game.

Please don't worry, Fadduh, Muddah.
I'll take care of little brudda.
He plays ball here and he rows here
And I hope they teach him how to blow his nose here.

He wakes up at half past six and
Goes directly to the quick sand.
He was lonely, now he's better.
He's like all of us except his bed is wetter.

Twelve Days of Summer Camp Song

On the first day of summer camp
My mother sent to me:
A box of oatmeal cookies.

On the second day of summer camp
My mother sent to me:
Two T-shirts,
And a box of oatmeal cookies.

On the third day of summer camp
My mother sent to me:
Three pairs of socks,
Two T-shirts,
And a box of oatmeal cookies.

Four woolen caps,
Five underpants,
Six postage stamps,
Seven nose warmers,
Eight Batman comics,
Nine bars of soap,
Ten Band-aids,
Eleven shoestrings,
Twelve bottles of insect repellent.

If It's Raining Song

If it's raining and you know it, clap your hands.

(Clap hands twice)

If it's raining and you know it clap your hands.

(Clap hands twice)

If it's raining and you know it then your clothes will surely show it.

If it's raining and you know it clap your hands.

(Clap hands twice)

If the mud is only knee deep, stamp your feet.

If the mud is only knee deep, stamp your feet.

If the mud is only knee deep, and you wish that it were hip deep,

If the mud is only knee deep, stamp your feet.

If mosquitoes are attacking, scratch your head.

If mosquitoes are attacking, scratch your head.

If mosquitoes are attacking, and you want to send them packing,

If mosquitoes are attacking, scratch your head.

If the wind is really blowing, shake your head.

If the wind is really blowing, shake your head.

If the wind is really blowing, and your hairline starts a-showing,

If the wind is really blowing, shake your head.

If the temperature is falling, rub your hands.

If the temperature is falling, rub your hands.

If the temperature is falling, and your spirits are appalling,

If the temperature is falling, rub your hands.

Boom Boom Ain't It Great to be Crazy Song

Chorus:

Boom, boom, ain't it great to be crazy?
Boom, boom, ain't it great to be crazy?
Giddy and foolish the whole day through
Boom, boom, ain't it great to be crazy?

Alternate Scouting Chorus:

Boom, boom, ain't it great to be Scouting?
Boom, boom, ain't it great to be Scouting?
Hiking and camping all day long.
Boom, boom, ain't it great to be Scouting?

A horse and a flea and three blind mice
Sat on a curbstone shooting dice
The horse he slipped and fell on the flea
'Whoops,' said the flea, 'There's a horse on me!'
- Chorus

Way down South where bananas grow
A grasshopper stepped on an elephant's toe
The elephant cried, with tears in his eyes
'Why don't you pick on someone your own size?'
- Chorus

Way up North where there's ice and snow
There lived a penguin and his name was Joe
He got so tired of black and white
He wore pink pajamas to the dance last night!
- Chorus

Eli, Eli had some socks
A dollar a pair and a nickel a box
The more you wear 'em the better they get
And you put 'em in the water and they don't get wet!
- Chorus

Fast Food Song:

A Pizza Hut, a Pizza Hut

Kentucky Fried Chicken, and a Pizza Hut

A Pizza Hut, a Pizza Hut

Kentucky Fried Chicken, and a Pizza Hut

McDonald's, McDonald's

Kentucky Fried Chicken, and a Pizza Hut

McDonald's, McDonald's

Kentucky Fried Chicken, and a Pizza Hut

Stand by Me

- King, Ben E

When the night has come
And the land is dark
And the moon is the only light we'll see
No I won't be afraid, no I won't be afraid
Just as long as you stand, stand by me

And darlin', darlin', stand by me, oh now now stand by me
Stand by me, stand by me

If the sky that we look upon
Should tumble and fall
And the mountains should crumble to the sea
I won't cry, I won't cry, no I won't shed a tear
Just as long as you stand, stand by me

And darlin', darlin', stand by me, oh stand by me
Stand by me, stand by me, stand by me-e, yeah

Whenever you're in trouble won't you stand by me, oh now now stand by me
Oh stand by me, stand by me, stand by me

Darlin', darlin', stand by me-e, stand by me
Oh stand by me, stand by me, stand by me

Lean On Me

Sometimes in our lives,
we all have pain, we all have sorrow
But if are wise,
we know that there's always tomorrow.

Lean on me, when you're not strong,
And I'll be your friend, I'll help you carry on,
For it won't be long,
till I'm gonna need somebody to lean on

Please swallow your pride,
if I have faith you need to borrow,
For no one can fill those of your needs
that you won't let show

You just call on me brother when you need a hand
We all need somebody to lean on
I just might have a problem that you'll understand
We all need somebody to lean on

Lean on me, when you're not strong
And I'll be your friend, I'll help you carry on
For it won't be long,
till I'm gonna need somebody to lean on

You just call on me brother when you need a hand
We all need somebody to lean on
I just might have a problem that you'll understand
We all need somebody to lean on

If there is a load,
you have to bear, that you can't carry,
I'm right up the road, I'll share your load,
if you just call me
Call me, if you need a friend, call me... (etc.)

Intentions

- by Native Deen

Waking up in the morning, gotta make my prayer
Am I really gonna' make it, when there is no one there?
Taking trips to the masjid (mosque), even when it's tough
Am I going for the sake of Allah? Am I showing off?
Gonna' get me the knowledge, gonna study Islam
Am I going just to build my ego? so they call me
Does it matter if the people respect me, when its not for Allah?
When I know anytime He can take me, without one real du'a (prayer)
Does it matter if they say I'm a big shot?
when I get no reward for my deeds
And I'm dragged on the Day of Resurrection
Cause of the folks that I wanted to please
Plus I know that Allah has the power
To raise me up in their eyes if it need be
I should always make my intentions, for my Lord, Allah completely

[Chorous]

Are my Intentions alright?
Am I doing for Allah?
When I'm looking deep, deep down inside
Do I have the right niyyah?

Wearing thoubes with a kufi, kufi
Miswaks leather socks like the old days
Am I trying to follow the Prophet? or am I seeking praise?
Giving talks on Islam to people
I'd be quoting Hadith and Qur'an
Am I speaking so they like how I'm speaking? and they say I'm
Donating to Islamic centers, giving money so the Deen can grow
Am I giving for the sake of Allah? or is it for show?
Many times I have found my intentions
Are not what I want them to be
I know I start on the right direction
But Shaitan starts talking to me
And I forget that without my niyyah, I'm just wasting my time
My intentions cannot bring the reward, when they're out of line
So I pray to Allah to help me, to do everything for Him only
Doesn't matter if the people despise me
Cause with Allah I can never be lonely

Yah Allah, accept this niyyah
Coming from young Muslims striving to be believers
So on the day, our deeds You'll measure. Know we only did this strictly for
Your pleasure, Your pleasure
Your mercy, Your ajur (reward), Your Jannah (heaven), forever and ever and
ever
And reward us for those who listen
Heeded to the message, changing their condition
And know that everything up until this point I've ever written
I submit as my repentance
And if its blessings You're sending my way
I beg You hold them to the judgement day
so maybe in Jannah you can look back and say...it was a lovely day, a lovely, a
lovely day, yes a lovely day
Are my intentions, alright, am I doing for Allah
When I am looking deep deep down inside, do I have the right niyyah
(intention)?

[Chorous]
Are my Intentions alright?
Am I doing for Allah?
When I'm looking deep, deep down inside
Do I have the right niyyah?

M-U-S-L-I-M

- Native Deen

M-U-S-L-I-M

One billion strong, all year long,
Prayers to Allah even in Hong Kong
Can never be wrong if we read the Qur'an
Cause it's never been changed since day one.
Others may brag, say that we lag,
But they don't know all the power we had
The power we had, the power we have
So Muslimoon don't you ever be sad
Take many looks, go read their books,
You'll see all the facts that your friends overlook,
So always be proud, you can say it out loud
I am proud to be down with the Muslim crowd!

M-U-S-L-I-M

I'm so blessed to be with them...

M-U-S-L-I-M

I'm so blessed to be with them...

They look at me strangely

Like I emit some type of energy

That draws Kafirs - disbelievers towards me.

Thinking to themselves what makes him different from me.

Is it the hair, the clothes or maybe the food he eats,

What could it be, that make thug cats, stand at attention,

His demeanor's peaceful but on his face it's clearly written that,

This aint the sorta brother caught up in this and that

Running streets carrying heat yo he aint into that.

This brother must live by some type of criteria,

To make it to the average cat quite superior

So maybe one of these days I get near enough

Play like Nancy Drew on this mystery and clear it up.

So listen up if you think this is strange,

Cause these the type of thoughts that use to run through a new Shahada's
brains

and I bear witness to the one with 99 names, InshAllah I will always remain.

M-U-S-L-I-M

I'm so blessed to be with them...

M-U-S-L-I-M

I'm so blessed to be with them...

Don't know about you, I know about me,

I'm proud because I'm rolling Islamically
Everywhere I see, even on TV,
People talking trash about the way I be.
But what they all hate, is if we get great
Cause we're the only ones with our heads on straight
Don't ever frown, or your head looking down,
If you read the Qur'an you're the best in the town.
Y'all have doubt say- we have no clout
But-within-a-few years see how we've come about.
Were back on the scene, The number-one deen,
I'm proud to be down with the Muslimeen!
Chorus

My Ummah

- by Sami Youssef

My ummah, my ummah
He will say
Rasulullah on that day
Even though we've strayed from him and his way

My brothers, my sisters, in Islam
Let's struggle, work, and pray
If we are to
Bring back the glory of his way

CHORUS:

Ya Allah ya rabbal 'alamin
Ya rahmanu ya rahim
Ya rabbi
O Allah Lord of the Worlds
O Merciful and Beneficent
O my Lord

Let the Ummah rise again
Let us see daylight again
Once again

Let's become whole again
Proud again
'Cause I swear with firm belief in our hearts
We can bring back the glory of our past

My ummah, my ummah
He will say
Rasulullah on that day
Even though we strayed from him and his way

Look at where we were
And look at where we are
And tell me
Is this how he'd want it to be?
Oh no! Let us bring back our glory

CHORUS

Allahu

- by Sami Youssef

Chorus

Allahu Allahu Allahu

Allahu Allahu Allahu

Truly He is the One

He has no father or son

Everything in creation was by Him begun

With His infinite power anything could be done

Ask Allah for His Pardon

And you'll enter the Garden

Chorus

Before Him there were none

Of partners He has none

He knows what is apparent and what is hidden

All the fate of creation has already been written

His Will is always done

And can never be undone

Chorus

From amongst all humans

Muhammad was chosen

He was illiterate and he was an orphan

Yet Allah sent him to those who were pagans

Oh Allah let us drink

From his hand in the fountain

Chorus

Ya Allah You're the Sovereign

You're the Sultan of Sultans

Please protect me from Shaytan and all of his treason

Let him not with his whispers my iman ever weaken

My only wish in this life

Is to attain Your Pardon
